

Ocean Freight Presentation

Morgan Cargo Air and Sea Freight Logistics

Established 1993.

Currently employ 500 staff in South Africa

Since 2000 changed Core Airfreight focus to include Ocean Freight service delivery.

Morgan Cargo Ocean freight Division

Morgan Cargo offer a wide variety of Ocean Freight services tailor made to customer requirements:

Freight Forwarding, Customs Clearance, Door Delivery, Track and Trace Warehousing, Distribution & Insurance cover.

Full Container Loads, Consolidation services, etc.

Morgan Cargo identified the need to work closely with the Global Carriers in order to offer their customers confirmed space, access to competitive rates, access to wide global network, greater flexibility, shorter transit times / lead times.

Morgan Cargo Ocean freight service includes:

Automotive cargo , Perishable Logistics and General Cargo.
